

## **Job Title: High School Science Teacher**

**Location:** New York Military Academy, Cornwall-on-Hudson, NY

**Position:** Full-Time

**Housing:** On-campus housing available

### **Job Description:**

New York Military Academy (NYMA) is seeking a dedicated and dynamic High School Science Teacher to join our faculty. The ideal candidate will have the ability to teach Chemistry, Biology, Earth Science, and possess a basic knowledge of Physics. This full-time position offers the unique opportunity to live on our beautiful campus, fostering a vibrant learning environment.

### **Key Responsibilities:**

- **Instruction:** Teach high school-level Chemistry, Biology, and Earth Science courses. Basic knowledge of Physics is required to support the curriculum.
- **Curriculum Development:** Develop and implement engaging and comprehensive lesson plans that align with state standards and promote student understanding and appreciation of science.
- **Laboratory Management:** Conduct and supervise laboratory experiments, ensuring a safe and effective learning environment.
- **Assessment:** Evaluate and monitor student progress through assignments, tests, and projects, providing constructive feedback.
- **Collaboration:** Work collaboratively with other faculty members to enhance the overall educational experience and support interdisciplinary learning.
- **Advisory Role:** Serve as an advisor to a group of students, providing guidance and support in their academic and personal growth.

### **Qualifications:**

- Bachelor's degree in Science Education, Biology, Chemistry, Earth Science, or a related field (Master's degree preferred).
- Valid teaching certification.
- Experience teaching high school science courses.
- Strong communication and organizational skills.
- Commitment to fostering a positive learning environment and encouraging student engagement.

**Benefits:**

- Competitive salary.
- On-campus housing provided.
- Professional development opportunities.
- Supportive and collaborative work environment.

**Application Process:**

Interested candidates should submit a resume, cover letter, and three professional references to [gaoxingyu.bj@fang.com](mailto:gaoxingyu.bj@fang.com) or [hr@nyma.org](mailto:hr@nyma.org). In your cover letter, please explain your teaching philosophy and how you can contribute to the NYMA community.
